Bid Specifications Questions

Each bidder must include a copy of this addenda with their bid packet.

Questions and Answers to all Bidders:

1. Please provide the current charge for services? **Currently residents are paying \$19.72 per month.**
2. How many senior subscribers are in the Village of New Concord? **The Village does not have access to the current billing information.**
3. Confirm if billing is direct to residents. **Customers are billed directly.**
4. Are suspends allowed for nonpayment. **This is up to the contractor.**
5. Confirm that no other size truck would be allowed to service the Village. **The Village is only allowing trucks no larger than 11 yards capacity.**
6. Confirm if the Performance Bond is the duration of the contract or annually renewed. **You can renew the performance bond annually.**
7. Please confirm the free services on page 17 and the size of containers listed. **The free services and the sizes indicated on page 17 are correct.**
8. Are bulk items picked up occasionally or no limit? **There is no limit and items shall be picked up weekly.**
9. Is there an annual registration with the Village? **There is no annual registration for the residential contract. However, there is a \$200 annual fee for commercial haulers.**

10. Please confirm the size of supplied cart for trash and the size of the recycling cart. **The supplied cart shall be 96 gallons and the recycling cart size shall be 64 gallons.**
